WORDS OF ENCOURAGEMENT

FROM YOUR NEBC PRAYER PARTNERS

Are you allowing your weaknesses and insecurities to keep you from being your best? Are you making excuses as to why you can't take a new leadership position, or get involved in a ministry in the church, or even respond to a call of help from a friend in need?

Know that God loves to use ordinary people just like you and me to do extraordinary things. You may not feel capable in your own strength, but that's okay. The apostle Paul said, "When we are weak, He is strong" (see 2 Cor. 12:9-10). Paul encourages believers to "be strong in the Lord," he is calling us to faithfulness—to abiding in Christ and trusting in the Lord's power for everything in life.

True Christian strength comes from recognizing our utter dependence on God. This is what Paul meant when he wrote, "I am able to do all things through Him who strengthens me" (Phil. 4:13). Our empowerment comes from being in Jesus. Apart from Him, we can do nothing, but in Christ we have at our disposal all the strength of His might. He strengthens us with everything we need for any task.

A personal question to be answered is: Do you see yourself as "well able" to do what God wants you to do (strong in the Lord and the power of His might)?

God sees us as "well able" people. Not because we are so powerful, but because our God is so powerful ! When you face adversity and hardships in life, you can rise up with boldness and confidence, knowing that as you trust God to work in and through you, He will not only make you strong, but also "well able" to overcome obstacles on this journey.

We must learn to see ourselves as God sees us - - - as a winner, an overcomer, as "well able." God wants us to accomplish great things in this life for His Kingdom, and He's put incredible potential, gifts, and talents within you to enable you to do so. Start stepping out in faith and acting on the desires that God has placed in your heart.

ARMOR OF GOD

A detailed illustration of a metallic shield with a large cross in the center. Two swords are crossed behind the shield, with their hilts visible at the top. The shield has a white outline and a slight 3D effect.

As outlined in Ephesians 6, the full armor of God is just what kids need to protect themselves against Satan's vicious attacks.
