WORDS OF ENCOURAGEMENT

FROM YOUR NEBC PRAYER PARTNERS

“Give thanks in all circumstances; for this is the will of God in Christ Jesus for you.” (1 Thess. 5:18)

In Paul's first letter to the Thessalonians, he encourages his readers to give thanks in everything. Feeling and expressing appreciation is good for us. Like any wise father, God wants us to learn to be thankful for all the gifts He has given us (see James 1:17). It is in our best interest to be reminded that everything we have is a gift from Him. Without gratitude, we become arrogant and self-centered. We begin to believe that we have achieved everything on our own. Thankfulness keeps our hearts in right relationship to the Giver of all good gifts.

Giving thanks also reminds us of how much we do have. Unfortunately, we are prone to covetousness, and to focus on what we don't have. But by giving thanks continually we are reminded of how much (many blessings) we do have. When we start thanking God for the things we usually take for granted, our perspective changes. We realize that we could not even exist without the merciful blessings of God.

“In everything give thanks; for this is God's will for you in Christ Jesus.” We are to be thankful not only in pleasant situations, but in the circumstances we don't like. It's not that we are grateful for tragedy, but we can be thankful for who God is, even in the midst of tragedy. He sustains us and gives us strength to endure. We thank Him for His promise that “all things will work together for the good, to those who love God and are called according to His purpose” (Romans 8:28).

In life there will always be those things that we can complain about, but there will also be much to be thankful for. As our society becomes increasingly secular, the actual “giving of thanks to God” during our annual Thanksgiving holiday is being overlooked, leaving only the feasting. May God grant that He may find us grateful every day for all of His gifts, spiritual and material. May He find us to be His grateful children.
