# STANDING ON THE PROMISES *of God*

For all the promises of God in  
Him are Yes, and in Him Amen,  
to the glory of God through us.  
II Corinthians 1:20

## **WORDS OF ENCOURAGEMENT**

### **FROM YOUR NEBC PRAYER PARTNERS**

We all want our prayers to be “effective,” so much so that if we focus on the “results” of our prayers, we lose sight of the incredible privilege we have in prayer. That people like us can even speak to the Creator of the universe is itself an amazing thing. Even more astounding is the fact that He hears us and acts on our behalf!

Jesus made some incredible statements about the efficacy of prayer:

“Therefore, I tell you, whatever you ask for in prayer, believe that you have received it, and it will be yours” (Mark 11:24).

“And I will do whatever you ask in my name, so that the Son may bring glory to the Father. You may ask for anything in my name, and I will do it” (John 14:13-14).

Despite these wonderful promises, many of us have become discouraged about prayer and maybe a little tentative when it comes to asking God for anything specific. We have prayed, but we have not always seen the kind of amazing results Jesus is talking about.

Perhaps you have even come to a place where you don’t expect much out of your prayers, because you’re afraid that your faith will be shaken if you make another request that is not met. So, we mostly just quit asking and we tend to lose a sense of boldness in bringing our needs to God and limit ourselves to safe prayers that don’t require an answer.

Yet, there are still those promises from Jesus that we can’t ignore. He wants us to come to Him with all our needs and desires (and even our uncertainties). We won’t always get what we want when we pray, but it is within God’s will that we ask.

God loves us so much that it is appropriate to ask boldly and with expectancy, and then be willing to accept an answer other than yes if it comes. So, pray boldly and expectantly. But then be ready to accept the final answer when it comes, knowing that God knows what is best for our ultimate good.
