WORDS OF ENCOURAGEMENT

FROM YOUR NEBC PRAYER PARTNERS

Why is it that some people are so blessed and continue to prosper and get ahead, while others remain in ruts of their own making? Of course, there may be many factors, but one thing is for sure : “ Every good and perfect gift is from above, coming down from the Father of lights.” (James 1:17). . . and our God blesses excellence and integrity.

What does it mean to be a person of excellence and integrity?

A person of excellence and integrity goes the extra mile to do what’s right. We keep our word even when it’s difficult. When you have a spirit of excellence, it shows up in the quality of your work, and the attitude with which you do it.

Every day our integrity is tested. If the bank teller gives you too much money in return, are you going to have integrity and go back and make things right? Or are you going to go out of there saying, “Thank You, Jesus! You did it again !

Integrity is a vital part of the foundation on which a truly successful life is built. Every time you compromise, every time you are less than honest, you are causing a slight crack in your foundation. If you continue compromising, that foundation will never be able to hold what God wants to build.

The Bible says if we will be faithful in little things, then God will trust us with more (see Matt. 25:21). How can God trust me to do the right thing with millions of dollars, if I won’t do the right thing with a hundred bucks?

God’s people are people of excellence. We stand out from the crowd because we choose to live our life to please Him. You may be in a situation today where everybody around you is compromising their integrity or taking the easy way out. Don’t let that rub off on you. Be the one to have an excellent spirit. Live in such a manner that when people see you, they will be attracted to our God.
