WORDS OF ENCOURAGEMENT

FROM YOUR NEBC PRAYER PARTNERS

Have you ever faced circumstances so overwhelming that you wondered how you would stand up under them? Oftentimes fear and discouragement are caused by satanic attack - - a willful, determined assault by Satan for the purpose of harming your spirit, soul, or body.

Satan's goal is to thwart the Lord's plan for you, and he can do a significant amount of damage. He is out to steal your peace and joy, cause confusion and anger, and encourage wrong relationships in your life. Our enemy will do anything he can to cheat you out of the blessings the Lord has promised. Satan is after your testimony - - he wants to ruin your witness and make you as ineffective for God's Kingdom as possible.

Our God is aware of what Satan is up to in our lives - - every cunning device, exactly where he will attack, and who he will use in the effort. Our heavenly Father sees the whole combat zone in which you and I live each day. He knows where we are on the battlefield and the nature of our weaknesses. If you are prayerless, if you don't cry out for God's divine direction and guidance, and if you don't put on His armor by faith every day, the enemy is going to succeed.

The importance of prayer cannot be overemphasized. Your understanding of Scripture will be in direct proportion to your prayers. The holiness and righteousness of your life are directly related to your prayers. First Thess. 5:17 instructs us with three powerful words: "Pray without ceasing".

The only way we can be strong enough to withstand the traps and counterfeits of the devil is by having a relationship whereby God is always speaking to our hearts and we are always listening and talking to Him in return. If you want God's best in your life, get on your knees! Divine, supernatural power is available if you will cry out to God and claim it by faith. Your prayers release God's power into your life and makes it possible for you to stand firm against every onslaught of our enemy.

A photograph of three Black women smiling and posing for a selfie. They are all wearing olive green military-style jackets. The woman on the left is in the foreground, slightly to the left. The woman in the middle is behind her, and the woman on the right is to the right. They are all looking at the camera. The background is a dark, textured wall.
